

FREE DAYTIME CONCERTS

In June 2009 the Victorian College of the Arts Secondary School (VCASS) moved to an exciting new facility at 57 Miles Street, Southbank. Michael Sargeant, Head of Music, and the staff of the music faculty invite U3A groups to attend the following FREE DAYTIME CONCERTS in 2010.

Now in our 32nd year, VCASS is a State Government school, and a premier training institution for Year 7-12 musicians and dancers. Our "Concert Platform Series" features predominantly Classical repertoire, and sometimes a little Jazz. During each concert our music specialist students are critiqued on their presentation and performance by an expert guest. We like to share the wonderful music our talented students produce, and salute their hard work, dedication, and excellent VCE results!

In the past, visiting groups have combined our events with an excursion to the city, gardens or other attractions in the Melbourne Arts Precinct. Please note that numbers are limited and bookings are essential. If you are interested, or have any queries, please contact me at your earliest convenience.
